Deciding to sell a home is a big endeavor. You need someone you can count on to get the job done so you can concentrate on the many other facets of your life.

You deserve a devoted expert.

Experienced and dedicated. Year after year, RE/MAX Associate surveys bear out the truth of our slogan: RE/MAX. Outstanding Agents. Outstanding ResultsSM. That's what RE/MAX Sales Associates are all about.

Associate production carried RE/MAX past the one-million-transaction-side milestone in 1997, establishing an industry record that has been built on every year. RE/MAX agents lead the industry in advanced designations, sales productivity and experience. That means RE/MAX Associates are better qualified to set the right price for the homes they list, better equipped to market those homes and more likely to find a buyer in a shorter period of time.

RE/MAX Associates are devoted to making your home selling experience the best it can be. They know your day can be full of everything from school to soccer games and clients to cleaning house, so they're respectful of your time. They work so you can relax.

You deserve dependable marketing.

RE/MAX Sales Associates are personally vested in the homes they list.

Unlike agents of many other companies, whose advertising budgets are controlled by their brokers,

RE/MAX Associates are free to decide how to best promote a particular property.

RE/MAX Associates know the value of smart marketing. Each year, RE/MAX Associates are projected to spend more than one billion in personal and group advertising. That's commitment.

When a RE/MAX Associate lists a home, he or she makes a personal financial investment. If the home doesn't sell, the agent can actually lose money.

No wonder RE/MAX Sales Associates are so willing to find the right buyers who will pay the right price.

You deserve a dedicated organization.

RE/MAX is the fastest growing real estate organization in the world, with independently owned and operated offices in the United States, Canada, Mexico, Central America, the Caribbean, Europe, South Africa, Spain, the Middle East, Southeast Asia and Australia. RE/MAX agents now do business in more than 50 languages.

The tremendous growth of RE/MAX means added service to clients and customers everywhere.

Throughout the RE/MAX Referral System – the most effective service of its kind – RE/MAX Associates are able to help real estate customers who are moving to a new area find the right home before they relocate. At the same time, the RE/MAX Referral System provides a source of home buyers for listing clients.

RE/MAX Associates realize that real estate isn't your top priority. Fortunately, it's our *only* priority.
